LET US ANSWER YOUR QUESTIONS

May we choose more than one entrée?

You may choose up to two selections from our plated menus. In addition, we always offer an option for vegetarians. Everyone must have the same salad selection. We also offer special pricing for children 10 and younger.

May we ask you to create a customized meal for our group?

Yes, we are very happy to create an entree to suit your group's individual taste and budget.

When do I tell you my final attendance number?

Guaranteed attendance is due 72 hours prior to the event. For weekend events (Friday – Sunday), the guaranteed attendance is due by 4:00 pm on the Tuesday prior to your event. We will prepare for 5% over the guaranteed count, unless that number exceeds the safe capacity of the banquet room.

How many guests will be seated at each table?

Depending on the number of attendees, we will use round tables seating 8 people, or long banquet tables seating 8-10 people.

May we bring in any of our own food?

The Lodge at Deadwood Banquet Department will prepare and serve all of the food for your event.

Are we allowed to take any remaining food and beverage items?

Any remaining food and beverage items may not be removed from any of the banquet areas.

May we bring our own alcoholic beverages?

The Lodge at Deadwood is a licensed facility granted by the State of South Dakota and is held responsible for complying with its regulations. Therefore, neither patrons, nor their guests shall be allowed to bring alcoholic beverages into banquet rooms or adjacent areas.

What is our age limit for consuming alcohol?

All guests need to be 21 years of age to purchase, consume, or have alcoholic beverages in their possession.

How much is the service charge?

Currently, the taxable service charge is 18%.

How much is the sales tax?

The state sales tax is 7% on all food and beverage sales, 6% on all room rentals, and 6% on all audio visual sales.

How do we handle payment for any event?

The guest can present a valid credit card. Receipts will be sent accordingly. Direct bill applications, purchase orders and tax exempt status will need to be submitted to the catering department prior to the event. Unpaid balances over 30 days are subject to a one and one half percent finance charge.

Do we allow entertainment?

We encourage entertainment. If loudness from bands, entertainment, event or public address systems disturb other guests, our property reserves the right to ask the patron or entertainment leader to reduce the loudness or perform without amplification. Please notify the Catering Department of entertainment 3 months prior to the event.

What about Signage, Theme Props & Decorations?

All signage that is to be placed in the Lodge lobby and pre-function space must be professionally made and approved in advance through the Catering Department. Arrangements for floral centerpieces, specialty props and decorations may be made through the Catering Department. What time do we need to vacate the meeting/banquet room?

Last call for alcohol is 1:30 am. The room must be vacated by 2:00 am.

Can items or audio visual be left in the banquet space overnight?

The Lodge at Deadwood cannot assume responsibility for damages or loss of merchandise, or articles left in a banquet room. The Hotel may require additional security staff for some types of functions. The Catering Department can assist you with these arrangements.

Are you or your guests responsible for damage?

Any damage or additional cleaning costs incurred by the property will be added to the master bill.
